

MEDIA RELATIONS TEAM INTERNSHIPS

The Sea Unicorns are seeking interns for the following areas of Media Relations:

-Play by Play voice of the Sea Unicorns for the live stream on the Futures League Network

Working side by side with the crew at SNSN (local partner for the Sea Unicorns broadcast team), the Play by Play voice will bring all the action to viewers of Sea Unicorns home games via the Futures League Network. The Play by Play intern will also be tasked with updating Sea Unicorns rosters as changes are made, writing game stories following every game and collecting the starting line ups from both teams prior to all home games.

-In season Social Media

The Social Media intern will create posts on all Sea Unicorns social media channels, especially focusing on in game updates as well as upcoming game & promotions for the Sea Unicorns.

-Photography & Videography

The Photography & Videography intern will focus on taking photos and videos during all Sea Unicorns home games, ensuring that all items sponsored by local partners (i.e. in stadium signage, in game on field promotions, etc) have been captured and placed on the Front Office computer files for end of season Proof of Performance. Also responsible for player/coaching staff head shots being taken and uploaded to the Futures League data base as well as the Sea Unicorns files.

-Graphics

The Graphics intern will focus on creating all in season graphics for use in promotions on social media, the live stream and others requested by the Sea Unicorns Front Office staff.

Qualifications/Requirements:

- A desire to explore a career in sports media relations
- The drive to make this internship your TOP priority during the summer.
- Interns MUST be available to work for the duration of the internship program.
- The ability to work as part of a team
- Strong customer service skills

These positions may be combined if candidates are capable of handling multiple roles. For example, it is possible for the Graphics and Social Media could be handled by a single candidate if qualified. Please list all roles you feel you are a fit for when applying.

All roles will report directly to the General Manager while also working closely with other staff members. The Media Relations Internships are paid positions that can also receive school credit if desired.
